

于需特殊存储条件的商品自动化零售，涵盖生鲜冷链、医疗药品、热链餐食及文化书籍等垂直品  
环境控制系统与定制化货道，为医院、学校、产业园区等对商品品质、安全与合规性有严苛要求  
专业的无人零售终端解决方案。

A photograph of a vending machine's control panel. The screen displays a smartphone with a blue case and a small inset image of a vending machine dispensing a drink. The main text on the screen reads "Vending Machine". Below the screen are several buttons: a blue "Buy" button, a grey "Help" button, and a grey "Cancel" button. The machine has a white and grey exterior with a small display screen at the top.
